# INGRAM MICRO PROUDLY DISTRIBUTES DELL EMC

As an authorized 2017 Dell EMC Distribution Partner, Ingram Micro will sell and support the entire portfolio of Dell EMC's technologies including its advanced cloud IT infrastructure, converged systems, PCs, servers and storage solutions.

At Ingram Micro, we ensure that our Dell EMC partner community has all the tools, information and training necessary to deliver end-to-end solution to your Enterprise and Commercial customers. Our specialists are here to offer channel partners the sales, marketing and technical support resources needed to simplify the sale, solve business challenges and drive more profitable growth and help you secure the most competitive prices.

For enquiries, please contact our channel sales team or Dell EMC Team below:

**VERITAS SYSTEM RECOVERY** - FAST, FLEXIBLE, AND RELIABLE RECOVERY FOR YOUR WINDOWS SERVER INCLUDING TO BARE METAL OR DISSIMILAR HARDWARE AS WELL AS FILES, FOLDERS, AND GRANULAR APPLICATION OBJECTS.

- Perform a full system restore to a specific point in time entirely from bare metal, eliminating time-consuming and error-prone manual system rebuilds.
- Eliminates the need for duplicate hardware for disaster recovery purposes.
- Dramatically minimizes downtime and avoids business disruption.
- Rapidly recovers granular Microsoft® Exchange and SharePoint® objects including mailboxes, folders, individual messages, or attachments in seconds from a single-pass backup.
